**Subject:** RE: Proposed Meeting Dates - Siltronic Source Control Discussion

Good morning.

EPA and DEQ are available to meet with Siltronic on Wednesday February 1st from 130-330pm.

EPA will be attending other meetings at DEQ's Northwest Region office on the 1st, so it works best for us to convene here.

Please let me know at your earliest convenience if the meeting time will work for the Siltronic team. If so I'll make arrangements for a conference room. If not, we may have to revisit the meeting date.
